The National and the University flags are being hosted by the Chairman, BoT and the Vice Chancellor respectively on the Victory Day, 2021

The Prime University celebrated the Glorious Victory Day on 16 December, 2021 with due solemnity and great enthusiasm. The University arranged different programs to observe the 'Golden Jubilee' of the victory of the nation.

Program of the Day started in the morning at 09:30 am with the hoisting of National Flag at full mast by the respected Chairman of Board of Trustees Md. Ashraf Ali, Member of BoT Mir Shahabuddin, and Vice Chancellor of the University Prof.

Dr. M. Jahangir Alam at the University premises. Deans of different faculties, Registrar, Controller of Examinations, Heads of departments, faculty members, officers, staff, and students were also present at the moment.

A discussion session on the significance of the Victory Day was held at 09:40 am. Md. Ashraf Ali, Chairman, Board of Trustees was the chief guest of the program. Mir Shahabuddin, Member of BoT was the special guest. The session was chaired by the Vice Chancellor of the University Prof. Dr. M. Jahangir Alam. A cultural program was arranged by students, faculty members, and staff of the University after the discussion program. Later, a representative group comprising faculty members, executives, staff and students went to the National Mausoleum at Savar to pay homage to all martyrs on the Victory Day.

Prime University Observed Martyred Intellectuals Day 2021

Prime University observes Martyred Intellectuals Day on 14th December 2021 with due solemnity to remember the intellectuals slaughtered during the Liberation War of Bangladesh. Prime University arranged a rally from the University premises to the "Mirpur Shahid Buddhijibi" Mausoleum to observe the day in a befitting manner. On this occasion, the national flag was hoisted at half-mast along with the black flag in front of the University campus.

Along with the Vice Chancellor, Prof. Dr. Jahagir Alam, the Deans of different faculties, the Registrar, the Proctor, and the Heads of different Departments, the faculty members, the executives, the staff, and the students of the University participated in the rally and placed floral wreaths to the Shaheed Monument. Like in the past two years, the day was observed on a limited scale because of the Covid-19 situation.

The Vice Chancellor along with the Dean of different faculties, Registrar, Heads and faculty members of different departments, executives and students on way to pay tribute to the Martyred Intellectuals

Later in the discussion, the Chairman of the Board of Trustees of Prime University stated in his speech that the intellectuals played a very momentous role with their sharp writings and intellect-based spirit to create public opinion in favor of the Liberation War. The Vice-Chancellor detailed in his speech that the Martyred Intellectuals Day is a shameful and brutal chapter of Pakistan as they killed the intellectuals to turn the nation into a brainless state. Besides, after the discussion session, special prayer was offered seeking eternal peace for the departed souls of the martyrs.

Later in the discussion, the Chairman of the Board of Trustees of Prime University stated in his speech that the intellectuals played a very momentous role with their sharp writings and intellect-based spirit to create public opinion in favor of the Liberation War. The Vice-Chancellor detailed in his speech that the Martyred Intellectuals Day is a shameful and brutal chapter of Pakistan as they killed the intellectuals to turn the nation into a brainless state. Besides, after the discussion session, special prayer was offered seeking eternal peace for the departed souls of the martyrs.

Vice Chancellor Attended the Television Talk Show 'Je Kotha Bolte Chai'

Prof. Dr. M. Jahangir Alam (sitting in the middle) during the talk show

Prof. Dr. M. Jahangir Alam, Vice Chancellor of the University participated in the Bangla Vision Television Talk Show 'Je Kotha Bolte Chai' on 5th October 2021. Prof. Dr. A. H. M. Nurun Nabi, Department of Biochemistry and Molecular Biology of Dhaka University was also present in the program. 'Opening the University Campuses and Necessary Preparation after 18 Months of Closure' was the topic of discussion in the program. The speakers highlighted various aspects of risks and challenges and their preparations for resuming the academic activities on campus.

Prof. Dr. Jahangir Alam presented the various measures taken by Prime University before going back to physical campus. He also suggested the administration, management, faculty members, students and guardians to work together to bear the brunt of COVID -19 on education and return to the on-campus education.

Vice Chancellor in Interview with the Daily Janakantha

The Daily Janakantha took an exclusive interview of Prof. Dr. M. Jahangir Alam, Vice Chancellor of Prime University on 6 December 2021 in a bid to share the life and works of Prof. Dr. M. Jahangir Alam as a former professor of IBA, Dhaka University and as a Vice Chancellor of Prime University.

Prof. Jahangir revealed his important life events and his daily life as the Vice Chancellor of Prime University with the Daily Janakantha. He also highlighted various academic, research and administrative activities and programs of Prime University in his interview. In a question how to prevent question

paper leakage in public examination, he insisted that the authority concerned should have honesty and sincerely of purpose. In an answer to another question Prof. Jahangir also suggested that there should be a research whether the present syllabi are having any negative impact on the tender aged children.

Commencement of Classes in the Campus

Prime University commenced physical classes for Fall-2021 semester from 1st October 2021. The University authority took all sanitizing and cleaning initiatives for the campus before opening the classes for the students and teachers. All students were enthusiastic to join their classes. The authority ensured that all faculty members, office staff, and students receive their vaccinations in order to continue the classes. Besides, measures were taken not to allow anyone to enter the campus without wearing masks. All necessary sanitizing arrangements such as hand sanitizer, thermometer, shoe cleaning system etc. were kept in the entrance for all to get into the campus. Social distancing was ensured for the students in the class. The Prime University has regained its lively environment with the participation of student-teachers and all other persons concerned.

Seminars/Webinars Organized in Different Departments

Webinar on 'Women Rights in Digital Age: Bangladesh Perspective': The Department of Law in collaboration with Centre for Research, Human Resource Development and Publications of the University organized a webinar on 'Women Rights in Digital Age: Bangladesh Perspective' held on 5 September, 2021. The webinar mainly concentrated on women rights in digital age, the loopholes in this path and expedients accordingly. Sayed Mohammad Rezwanul Islam, Senior Lecturer moderated and gave the welcome address in the session. Associate Professor Dr. Abdullah-Al-Monzur Hussain, Head, Department of Law presided over the session as the Chairperson of the webinar. The presence of Md. Ashraf Ali, the respected Chairman of the Board of Trustees, Prime University and Professor M. Jahangir Alam, Vice Chancellor of the University ornamented the session as the Chief Guest and the Special Guest perceptively. Md. Ashraf Ali elicited the government's role in ensuring and protecting women rights in Bangladesh whilst Professor M. Jahangir Alam said that Prime University will spontaneously welcome and support any activity to promote and protect women rights. In the webinar, the Keynote Speaker Barrister Nawrose M. R. Chowdhury, Advocate and Deputy Attorney General,

Bangladesh Supreme Court highlighted on the relationship between women rights and digitization from Bangladesh perspective. He emphasized how digitization is playing a pivotal role on women's life, women movement and women rights in the modern age. He presented some solutions and emphasized the inclusion of laws in Bangladesh regarding women right in digital age. Later part of the webinar was opened for question-answer session where teachers and students participated with a great enthusiasm.

Webinar on Recent Advancement in Image, Video, and Signal Processing: Department of Electrical and Electronic Engineering in collaboration with the Centre for Research, Human Resource Development and Publications of Prime University organized a webinar entitled "Recent Advancement in Image, Video, and Signal Processing" on 8th October 2021 (Friday) at 8.00 pm. Prof. Dr. Munshi Mahbubur Rahman, the Head of the Department presided over the program. Md. Ashraf Ali, Chairman, Board of Trustees graced the webinar as the Chief Guest. Prof. Dr. M. Jahangir Alam, the Vice Chancellor of the University was present in the program as a Special Guest. The Registrar, Captain M. A. Jabber, BN (Retd) was also present in the session. Prof. Dr. Shaikh Anowarul Fattah, Department of Electrical and Electronim Engineering, Bangladesh University of Engineering and Technology (BUET) was the Keynote Speaker of the webinar. He discussed the recent advancements in the image, video, and signal processing field and their applications. The faculty members and the students of the Department were present in the webinar.

Webinar on 'IoT (Internet of Things) Research for You, Us, and All': The Department of Computer Science and Engineering (CSE) and Center for Research, Human Resource Development and Publications jointly organized an online webinar on "IoT (Internet of Things) Research for You, Us, and All" on 29th of October, 2021. Md. Ashraf Ali, Chairman, BoT, Prime University was present in the session as the Chief Guest while Professor Dr. M. Jahangir Alam Vice Chancellor of the University was present as Special Guest. The Keynote Speaker of the webinar was Professor Dr. A. B. M. Alim Al Islam, Department of CSE, Bangladesh University of Engineering and Technology (BUET). He discussed the matter that the Internet of Things (IoT) often refers to physical objects (or groups of such objects), which are embedded with sensors, processing ability, software, and other technologies. He also explained IoT enables connecting and exchanging data with other devices and systems over the Internet or other communications means. Last few decades, the field has evolved radically due to the convergence of diversified technologies including ubiquitous computing, commodity sensors, increasingly powerful embedded systems, machine learning etc. Finally, there was a very interactive question answer session. Colonel Md. Shihabul Islam (Retd), Associate Professor and Head, Department of CSE, Prime University chaired the session and expressed his gratitude to the Chairman, BoT, PU and Vice Chancellor for their time and also expressed his sincerest thanks to the Keynote Speaker for his insightful speech. The program was coordinated by Dr. Momtaz Begum Momo, Associate Professor of the Department. All faculty members and around 100 students of different batches of CSE departments were present in the webinar. The presence of all faculty members and students made the webinar fruitful.

Seminar on 'Language, Power and Identity': The Department of English organized a seminar on "Language, Power and Identity" at 11:00 am on 30 December 2021 in the Conference Room of the University. Eminent educationist Prof. Dr. M. Maniruzzaman, Department of English, Jahangirnagar University was the Keynote Speaker of the seminar. Md. Ashraf Ali, Chairman, Board of Trustees, graced the occasion as the Chief Guest while Prof. Dr. M. Jahangir Alam, Vice Chancellor, Prime University was present in the seminar as

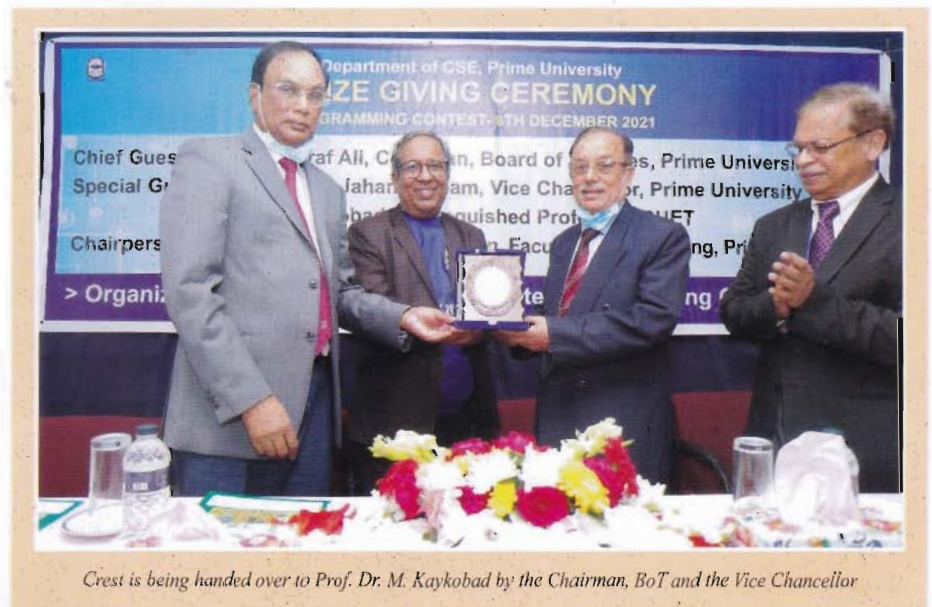

From left: the Keynote Speaker, Special Guest, Chief Guest and Chairperson of the seminar

Special Guest. At the very beginning, Rakib Uddin, Assistant Professor, Department of English delivered his address of welcome to the seminar. Then Md. Abdul Awal, Assistant Professor, Department of English introduced the reputed scholar of Linguistics and ELT in Bangladesh Prof. Dr. M. Maniruzzaman, the Keynote Speaker of the seminar before the audience with his record of academic excellences and achievements. The Deans of different Faculties and Heads of Departments along with faculty members and students attended the seminar. The Chief Guest Md. Ashraf Ali, Chairman, Board of Trustees, Prime University highlighted the importance of language in everyday life connecting both power and identity and expected to hear more in details from the Keynote Speaker of the seminar. The Special Guest Prof. Dr. M. Jahangir Alam, Vice Chancellor, Prime University emphasized the significance of arranging seminars for the continuous development of the students as well as faculties of the university. The guests also admired the Department of English for organizing such an important seminar for the improvement of the capability of our learners. The Keynote Speaker illustriously emphasized the custom, implication, significance, and universal value of language in relation to power and identity. He made a brilliant exposition of all the issues related to the different segments of the topic to the high applause of the audience. The discussion created a plenty of enthusiasm and interest among the students so that they were inspired enough to participate in the question-answer session evincing that they have benefitted a lot from the seminar. The Chairperson of the session Prof. Dr. Mohammad Arshad Ali, Dean, Faculty of Arts and Social Sciences and Head, Department of English in his concluding speech thanked the Keynote Speaker for his thought-provoking and illustrious speech and also the faculty members of the Department for arranging such a prolific seminar. He also expressed his gratitude to the Chief Guest and Special Guest for their generous support for organizing the seminar. At the end the Chairperson thanked the audience for their spontaneous participation in the seminar to make it a success.

Programming Contest in CSE Department

The Department of Computer Science and Engineering (CSE) is not only focusing on academic development but also on development of programming skills of its students. The Department of CSE always encourages and provides support to the students with a view to taking part in different activities through which they can undertake the future challenges in the field of computer science. Advancing steadily with all these traditions and successes, the Department organized a colorful programming contest on 08 December, 2021 in the Department in a befitting manner. Distinguished

Crest is being handed over to Prof. Dr. M. Kaykobad by the Chairman, BoT and the Vice Chancellor

Prof. Dr. M. Kaykobad, Bangladesh University of Engineering and Technology (BUET) inaugurated the day-long program. A total of 22 teams participated in the competition. The students of CSE department of Prime University have also proved themselves in the field of programming contest as well. Md. Ashraf Ali, Chairman, BoT, Prime University was present in the prize distribution ceremony and grace the occasion as Chief Guest, while Prof. Dr. M. Jahangir Alam, Vice Chancellor, Prime University and distinguished Prof. Dr. M. Kaykobad were present as Special Guests and distributed the crest as well as certificates among the winners.

Debating Competition Organized by the Debating Club of Civil Engineering Department

The Department of Civil Engineering has inaugurated a Debating Club to improve and nurture various self-development skills such as critical thinking, articulation, resolution of conflict, emotional control and so on. The very first debate competition was held on 19th January, 2022 in the Department. The club members were groomed well ahead of the competition.

In the program the introductory speech was delivered by the Chairperson of the program, Md. Abdul Aziz, Assistant Professor, Department of CE. On the dais, Prof. Dr. Jahangir Alam, Dean, Faculty of Engineering and Prof. Dr. Md. Zahid Husain Khan, Head of the Department were present respectively as the Chief Guest and the Special Guest of the event. The valuable speech delivered by the Chief Guest made the event more fruitful.

On the topic "আধিপত্য নয়, বন্ধুত্বেই জয়", both the proposition and opposition team spoke well on with relevant logical arguments. Their speeches have been evaluated by the faculty members on different criteria. After arguing tooth and nail finally the opposition team defended their logic successfully. Lastly, Prof. Dr. Md. Zahid Husain Khan announced the winner of the competition. The best speaker of the debate was selected as the president of the club. Lastly prizes were handed over to the two teams. The audience opined that this type of events should be organized more to encourage the students.

Extempore Speech Competitions in Different Departments

Views of the extempore speech competitions in the Department of English (left) and in the Department of EEE (right)

The Department of English organized an exquisite extempore speech competition on 31 October 2021 at the Conference Room of the University. The program was chaired by Prof. Dr. Mohammad Arshad Ali, the Head of the Department and Dean of the Faculty of Arts and Social Sciences. Md. Ashraf Ali, Chairman, Board of Trustees graced the occasion as the Chief Guest while Dr. M. Jahangir Alam, Vice Chancellor of the University was present as the Special Guest. The students from different batches of the Department of English participated in the competition spontaneously. In the competition Abu Bakar Ivna Mafuf of 50th batch secured the 1st position, Almasun Nahar Shilpa of 49th batch and Shafaria Sharfuddin of 53rd batch combinedly became 2nd, Sajma Akter of 52nd batch and Umme Habiba Shraboni of 49th batch secured the 3rd and 4th position respectively. The prizes were distributed among the winners by the Chief Guest Md. Ashraf Ali. Both the Chief Guest Md. Ashraf Ali and the Special Guest Prof. Dr. M. Jahangir Alam Vice

Chancellor appreciated the Department of English for arranging such a competition and suggested other departments to arrange this type of competitions every semester. Dr. Momtaz Begum Momo, Associate Professor, Department of CSE, Md. Nazrul Islam, Assistant Professor, Department of BBA, Md. Mostafijur Rahman, Assistant Professor, Department of Law were the panel of judges at the competition.

Similarly, the Department of Electrical and Electronic Engineering (EEE) organized an 'Extempore Speech Competition-2022' on 5 January 2022 at the Conference Room of the University. Md. Ashraf Ali, Chairman, BoT, Prime University and Prof. Dr. M. Jahangir Alam, Vice Chancellor, Prime University graced the event as the Chief Guest and the Special Guest respectively. Prof. Dr. Jahangir Alam, Dean, Faculty of Engineering chaired the session while Prof. Dr. M. Mahbubur Rahman, Head, of the Department presented the vote of thanks. A total of ten students from different batches of EEE Department participated in the competition. Participants randomly picked topics from the electrical and electronic fields. Each contestant gave a three-minute speech on the chosen topic. Jalaluddin Mohammad Akbar from 51st batch secured the first position. Md. Shamsujjoha Sumon from 50th batch and Akash Barman from 49th batch secured the second and third position respectively. At the end of the event, respected chief guest and special guest congratulated and handed over prizes among the winners. Dr. Mariya Ferdousi, Assistant Professor, Erona Khatun and Maruf Rahman Shuvo, Lecturer Department of EEE performed the responsibility as the judges. The whole session was moderated by Shuvodip Das, Assistant Professor, Department of EEE.

Prime University Participated in the 'International Conference on Fourth Industrial Revolution and Beyond (IC4IR)'

Dr. Dipu Moni, Honorable Minister, Ministry of Education along with Professor Dr. Kazi Shahidullah, Chairman, University Grants Commission (left) and Mr. Zunaid Ahmed Palak, Honorable State Minister, Ministry of ICT (right) visited the PÜ stall "

Prime University participated in a two-day long conference entitled 'International Conference on Fourth Industrial Revolution and Beyond (IC4IR)' on 10 and 11 December 2021. The conference was organized by the University Grants Commission of Bangladesh (UGC) to celebrate the 100th Birth Anniversary of the Father of the Nation, Bangabandhu Sheikh Mujibur Rahman. Five projects developed by the students of EEE Department were displayed in the exhibition, namely, IOT based Data Logger, 100-500V LED Power Supply and Flicker Removing Circuit, Computer Numerical Control (CNC) Machine, Home Automation System and Fault Detection and Correction System in the Power Transmission System.

Dr. Dipu Moni, Minister, Ministry of Education, Mr. Zunaid Ahmed Palak, State Minister, Ministry of ICT, Mr. Mohibul Hasan Chowdhury, Deputy Minister, Ministry of Education, Professor Dr. Kazi Shahidullah, Chairman, University Grants Commission along with other government officials visited the stall in the exhibition and highly praised the good work of Prime University.

Dr. Rana-Al-Mosharrafa

Prime University Faculty Awarded PhD Degree

Rana-Al-Mosharrafa, Assistant Professor at the Department of Business Administration, Prime University has been awarded Doctor of Philosophy (PhD) degree on December 29, 2021 from the Department of Banking and Insurance, Faculty of Business Studies, University of Dhaka. The title of her Ph.D thesis was 'Trends and Determinants of Bank Profitability: Empirical Evidence from Commercial Banks of Bangladesh' and her supervisor was Dr. Md. Shahidul Islam Zahid, Professor, Department of Banking and Insurance, Faculty of Business Studies, University of Dhaka.

Central Presentation Held in the Department of English

Organizing central presentation session is a regular practice in the Department of English. It improves the presentation ability of the students. Because of the COVID-19 Pandemic, the Department could not arrange the session for almost one and a half years. The Department has, however, started the practice after the commencement of on-campus teaching and learning activities. The Department of English organized the central presentation session on 11th January 2022 with the participation of all students of BA(Hons.) program.

Mock Trial and Court Visit

As per the requirement of Clinical Legal Education course, the Department of Law has to organize a mock trial (a simulation of real trial) and a court visit for the students of LLB program. In line with that regular activity, the mock trial (a simulation of real trial) for the students of 46th batch was organized on 19 January, 2022. Syed Mohammad Rezwanul Islam, Assistant Professor of the Department played the role of the Judge in the trial. All faculties of the Department of Law were present in the trial and enjoyed the excellent legal skills of the students as the advocates of the trial. The students were admired immensely for their splendid role in the trial.

Earlier on January 06, 2022, the students of the same batch visited the Dhaka Judges' Court. Golam Sarowar, Assistant Professor of the Department escorted the students and showed them different court activities like live trial, oral argument etc. Moreover, they visited the GR section, record room and legal aid office of the Court from where the students acquainted themselves with many court related matters and practices.

Industrial Visit of EEE Students

Students at the front of Central Effluent Treatment Plant (CETP)

The Department of Electrical and Electronic Engineering (EEE) of Prime University always strives to provide industry-oriented experience along with classroom teaching to its students. As part of this effort, on 4 December 2021, 49th Batch of EEE department visited the Common Effluent Treatment Plant (CETP) located in Leather Industrial Park of BSCIC (Bangladesh Small and Cottage Industries Corporation) Tannery Industrial Estate in Savar. Twenty-five students of 49th batch participated in the industrial visit under four esteemed faculty members of the department. During the visit, students recorded the information of different electrical parts of the plants and learnt about the working procedure of different subsystems of the CETP. The Chief Maintenance Engineer, Mir Shahenul Islam Shaheen described the complete working of the CETP to the students so that the students will benefit a lot. Students urged to organize more such industrial visits in different electrical and electronic engineering related plants.

Orientation Program in Different Departments

Department of Law: An orientation program for the students of new admission (55th, 56th and 57th) in the department of law was organized. The program begins with a warm welcome to the students. The aim was to familiarize the students with the Department, curriculum, and teaching methods. All the teachers of the Department gave guidelines and briefed the students about the rules and regulations of the university. The Head of the Department delivered speech expressing the purpose of the program. The ceremony was concluded with wishes for the peace and prosperity of the University. The students were in high spirits after attending the orientation program.

Department of Civil Engineering: The Department of Civil Engineering arranged an orientation program physically maintaining social distance on 3rd October 2021 for students of Fall Semester 2021. The Program was chaired by the Head of the Department Prof. Dr. Md. Zahid Husain Khan. All of the faculty members attended the program.

Department of Education: Orientation program of the Department of Education was held on October 1, 2021 in the Conference Room of the University. Newly enrolled students of the 58th batch of BEd and MEd programs were welcomed by all the faculties and current students of the Department. Prof. Dr. Delwar Hossain Shaikh, Head of the Department, expressed his best wishes to the newly enrolled students and gave a short brief on BEd and MEd Programs.

Md. Ahmedul Azam, Lecturer of the Department gave a thorough brief about the details of the whole program to the newly enrolled students. Finally, the program ended up with the singing of songs and recitation of poems by the students.

Department of Business Administration: Department of Business Administration organized two reception programs for the students of the 58th batch BBA and MBA Program on 5th and 11th November respectively in the Prime University auditorium with Prof. Dr. Abdur Rahman, Head, Department of Business Administration in the chair and Prof. Dr. M. Nasim Anjum, Dean, Faculty of Business Studies as the Chief Guest. The Chief Guest Prof. Dr. M. Nasim Anjum advised the students to equip themselves with the knowledge and skills necessary for today's job market. The Chairperson Prof. Dr. Abdur Rahman highlighted different aspects of the department and advised them to follow the code of conduct of the department as well as the University.

Course Completion Ceremony Held at EEE Department

The outgoing students with the Dean, Faculty of Engineering and faculty members of EEE Department

Course Completion Ceremony of the 49th Batch of the Department of Electrical and Electronic Engineering (EEE) was celebrated on 7 January 2022. Total 124 students of the outgoing batch participated in the program. The Vice Chancellor, Prof. Dr. M. Jahangir Alam and the Dean of the Faculty of Engineering, Prof. Dr. Jahangir Alam graced the occasion as the Chief Guest and Special Guest respectively. The Head of the Department, Prof. Dr. M. Mahbubur Rahman chaired the session. Respected Vice Chancellor, Prof. Dr. M. Jahangir Alam urged the students to be competent and skilled in their respective field of work and uphold the name and fame of EEE Department of the University. The Dean of the Faculty encouraged the participating students to exhibit the highest standards of honesty and integrity in their professions. Moreover, in the concluding remarks, the chair of the session Prof. Dr. M. Mahbubur Rahman, advised the students to work together for the development of EEE Department. At the closing session, outgoing students received crests from the respected special guest and chairperson of the program. The 49th batch students also handed over a crest adorned with their names as a memento to the Head of EEE Department.

View Exchange Meetings in Different Departments

Department of Law: The Department of law, Prime University organized a virtual Eid reunion program on May 22 and May 23, 2021. A large number of students from different batches (LLB Hons and LLM) attended the session. The Dean of the Faculty, Prof. Dr. Mohammad Arshad Ali attended the virtual gathering as the Chief Guest while Abdullah -Al-Monzur Hossain, the Head of the Department presided over the session. The Chief Guest of the occasion hoped that the pandemic, Covid-19 will be eradicated from the earth and next year the Eid reunion program might be celebrated physically on the campus. The teachers of the Department advised the students to abide by the government's rules, regulations, and restrictions to drive the pandemic away.

Department of Civil Engineering: On 10th January 2022, the Department of Civil Engineering arranged a "Teacher-Student View Exchange Meeting" on the Prime University campus. The meeting was chaired by the Head of the Department, Prof. Dr. Md. Zahid Husain Khan. Special guests were Captain M. A. Jabber, Registrar, and A. K. M. Saifulla, Deputy Registrar of the University. All of the faculty members and the students from all the batches of the Department were present. The Head of the Department gave a speech to encourage the students to strive for a bright future. The students also gave a quick overview regarding policies and regulations of the University. Faculty members spoke to the students about their difficulties, the use of practical laboratory facilities, the formation of various clubs, and the activities of such clubs.

Prof. Dr. M. A. Wahab

Obituary

Professor Dr. M. A. Wahab, former Head of the Department of Education of Prime University breathed his last on 29.12.2021. He was suffering from old age diseases. He worked in Prime University from 4th June 2013 to 31st May 2020. The members of the Prime University family was saddened by his death news and prayed for the eternal peace of his soul and fortitude for the breaved members of his family.

New Joining and Promotion

A good number of faculty members joined the University in Fall Semester 2021. Dr. Md. Nasim Anjum joined the position of Professor in the Department of Business Administration. Six faculty members joined in the post of Lecturer in different departments. Jakia Nusrat Mithila and Most. Alpona Akter Jahan joined the Department of Business Administration and Bangla respectively. On the other hand, Tanvirul Amin and Sharifuddin joined the Department of Electrical and Electronic Engineering (EEE). Moreover, Shahrin Islam and Shuva Saha joined in the Department of Civil Engineering.

Jakia Nusrat Mithila

Prof. Dr. Md. Nasim Anjum

Md. Humayun Kabir Lasker

Most. Alpona Akter Jahan

Shahrin Islam

Tanvirul Amin

Sharifuddin

Shuva Saha

Among Executives, Prime University welcomed Md. Humayun Kabir Lasker to the position of Treasurer on an ad-hoc basis. The University also appointed Muhammad Rizwan Kabir and Sabbir Bin Sams in the positions of Assistant Director (Accounts) and Admission Officer (Marketing) respectively.

Furthermore, the Prime University authority is pleased to award promotions to a good many faculty members this semester. Sabina Yasmin, Md. Ariful Islam, Syed Mohammad Rezwanul Islam of the Department of Law, Monir Hossain and Sujit Kumar Deb Nath of the Department of Business Administration, Bidduth Kumar Dutta of English and Tanvir Ahmed Tarique and Dr. Mariya Ferdousi of EEE have been promoted to the post of Assistant Professors from Senior Lecturers.

The faculty members who have been promoted from Lecturer to Senior Lecturer are Khadiza Begum, Rabeya Sultana, Md. R. Rahman, Md. Mojibur Rahman Redoy Akanda, Sworna Akter, Md. Alamgir Hossain of the Department of CSE, Tahmida Tabassum, Sunirmal Kumar Biswas and Md. Abdul Halim of EEE and Al-Emran Biswas of Civil Engineering. Among Executives Syeda Julia Afroj Dipa, Md. Monayem Hossain and Atiar Rahman have been promoted to the post of Assistant Registrar from those of Counselor, Section Officer and Estate Officer respectively. It is expected that the newly joined and promoted personnel will contribute a lot to the academic as well as administrative arena of the University.
